Thanks Dave knocked out. Feel bad. Wanted to help G today with Aerovox Phase III comments. She's swamped. Hope you're well.

Subject: Today

Ginny – I came down with a head/chest cold last night and feel pretty bad. But, I can be on the call with Marilyn and Angela today if want me on. Also, my comments on the Phase III have been covered by others except for some minor things that aren't significant.

I'll stand by.
